Volume 2010 Issue 1

Happy New Year from CM's! Back by popular demand, our year-in-review issue. We hope these pictures will inspire you to create your own idyllic back yard. Whether you consider one landscape feature or several, CM's is ready to help you transform your property.

Before

Cozy seating around the fire pit.

After

A poolside haven

Soothe the senses near the fireplace and waterfall.

How do you like your steak?

Reminders

1. Return 2010 contract.
2. Schedule an appointment with a landscape designer

Back yard retreat. (part 2)

Through the garden gate beneath the hand-crafted pergola, the meandering flagstone path wanders through a landscape filled with perennials and ornamental grasses. A park-like setting like this could easily be yours.

Create your own back yard retreat. (part 1)

An eye for potential and a creative designer along with a bit of timber, some beautiful stone in a variety of shapes and sizes, and a lot of skilled craftsmanship reshaped this mundane back yard patio. Multiple tiers, seating areas and planting beds will give this homeowner years of satisfaction all in the comfort of his own back yard.
